ASCET INVOLVMENT:

Current member in good standing. Past Vice President of Georgia Fire Sprinkler Association.

EMPLOYMENT:

1999 – Current: CEO & President of Alliance Fire Protection Corporation and CEO and President of Georgia Cylinder & Hydro Testing and related business testing fire extinguishers and other high pressure cylinders.

1986 – 1999: Began career working and learning at Gwinnett Sprinkler Company, my family's business.

EDUCATION:

Graduated from Loganville High School at the age of 16 and then attended DeKalb Community College. Continued education with career related college courses. Have NICET Level III certification as well as a certificate for Fire Alarm Level III and Fire Suppression Systems. Permitted in Georgia for Engineered Systems, Pre-Engineered Industrial, Pre-Engineered Kitchen and Fire Extinguisher. Licensed in Georgia, Alabama and soon in Colorado.

COMMUNITY INVOLVEMENT:

Walton Animal Guide supporter and active with Recovery Facilities for Substance Abuse. Supporter of community schools and athletics as opportunities arise.

PERSONAL:

Married high school sweetheart and have a son, daughter and 4 grandchildren. I enjoy family time and traveling.

PHILOSOPHY:

I give back to the community by hiring and offering jobs and consider it a privilege to be in a position to mentor individuals with a desire to learn the business and grow with my company. With ASECT, I believe the Society creates many opportunities to maintain awareness of our profession and the integrity of its members. To maintain the strength of ASECT, new chapters need to be started, improve communications and sponsor continued education with courses and seminars.
